Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following amendment of the San Joaquin Council of Governments (SJCOG) 2004/05-2006/07 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
1	State, Local and Transit Elements <ul style="list-style-type: none">Modifies the funding of projects in San Joaquin County. The projects include funding from the Demonstration-TEA 21 and the Surface Transportation programs.

Project (CTIPS ID #11200000108) in Lodi on Lower Sacramento Road, is not included in this approval since a STIP amendment committing the funds by the CTC has not been approved yet.

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only.

The updated programming is for projects that have been found by the SJCOG to conform to applicable air quality regulations. This FTIP amendment is consistent with the State Implementation Plan. These projects are included and submitted by SJCOG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

Mr. Gene K. Fong/Mr. Leslie T. Rogers

In accordance with existing law, public involvement procedures are a part of the project selection process. The SJCOG prepared this FTIP amendment under the process permitting citizens, affected local agencies, other public agencies and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,
